

Find out about Holland in the very best way by cruising along one of the special, extensive waterways that form an elaborate network stretching throughout the country. You will glide past almost endless tulip fields and see many small picturesque places in the course of quite a number of memorable excursions. In addition to visiting Amsterdam (sometimes known as the Venice of the North) other highlights of this cruise include the cities of Ghent, Antwerp and Brussels (the capital of the EU).

Day	Country	Harbour	Highlights of the Program
