Stay in the right place

When it comes to great accommodation, Insight believes that nothing is more important than premium hotels in desirable central and scenic locations. Not just here and there but everywhere, and on every tour.

OUR PREMIUM HOTEL COLLECTION

Quality, style, location and ambience are the key selection criterion for every Insight hotel. That's why we choose to feature leading hotels like Westin, Sofitel, Pullman, Crowne Plaza, Sheraton, Marriott, Radisson Blu and Hilton or good private hotels, smaller or family-owned hotel groups and *heritage hotels* ★.

DESIRABLE LOCATIONS THROUGHOUT YOUR TOUR

Some operators avoid or reduce nights in iconic city centres because they cost a little more. *Insight thinks differently*; we want you to enjoy *central* ★ and *scenic* ★ locations in the best cities and the most beautiful countryside, and so we consistently include them on every tour.
