*Insight's central hotel locations mean you can easily explore on your own!*

Every Insight itinerary is planned to give you maximum free time for individual exploration and leisurely relaxation. Relaxed days mean you'll not feel hurried or hand-held.

## **YOU'RE AN INDIVIDUAL**

Insight guests share a desire for *enriching, stylish, and exciting journeys*. Many make lifelong friends, sharing memories of their tour for years to come. Yet *we never forget you are an individual*; every itinerary has been planned with plenty of time to explore and to do your own thing *in your own way*.

## PERSONAL TOUCHES TO SURPRISE & DELIGHT

We'll surprise and delight you with *Insight's on-tour 'flourishes'* such as Welcome Drinks with a meal, *Club Bon Voyage Gift & Drinks for repeat travellers*, on-coach Insight Tote Bags, group photo, umbrellas, a revitalising 'Pick-Me Up' and 'Taste of Europe' delicacies during your journey.

## EXPECT THE UNEXPECTED

Your Tour Director will bring alive the essence of each destination, *unlocking local secrets* and introducing personal insights. Whether it's the keys to a hidden door, a *personal introduction* from a local raconteur or a *private visit* to a little known gem, you can be sure you'll miss nothing.

## SINGLE TRAVELLER DEPARTURES

All Insight tours are popular with single travellers, but we have designated a number of departures as singles traveller friendly (ST) to help identify travel dates that may especially suit solo travellers.

Not only will our guaranteed twin-share help you avoid the single room supplement, but you're also more likely to meet like-minded people as potential friends and travelling companions.

Our Travel Forum is also a great place to catch up with who's travelling where and when.
